

Headquarters U.S. Air Force

Integrity - Service - Excellence

Driving Forces in Services

Mr Frank Davis

U.S. AIR FORCE

Integrity - Service - Excellence

U.S. AIR FORCE

Driving Forces

- Services Acquisitions > 50% of Procurement Budget
- GAO Findings and Congressional Interest in Services Acquisitions Oversight & Management
- PL 107-107 (FY02 NDAA) Mandated Process for the Management and Oversight of Services Acquisitions
- DoD and Services Implemented the Management and Oversight of Acquisition of Services Process (MOASP) in FY 03
- OSD (AT&L) & OASD/NII Exercise

U.S. AIR FORCE

AFPEO/CM Role

- Designated Official (DO) for >\$100M or 300 FTEs for A76 Studies or Special Interest Acquisitions
- Proponent for the Air Force MOASP
- Conducts Annual Reviews for Portfolio Programs
- As DO, Approves Acquisition Strategy, Ensures Requirement is Performance Based, and Contract Contains Performance Metrics
- Acts as Source Selection Authority for Portfolio

U.S. AIR FORCE

Acquisition & Management of Services

- Strategic Perspective; Commercial Solution; Performance Based
 - Minimize “How To” (Security, Safety, & Environment)
- Identify Performance Objectives & Approve before Committing to an Acquisition Strategy
- Performance Objectives must have Defined Outcomes
- Performance Metrics & Performance Management Plan
 - Monitor & Track Cost, Schedule, and Performance
